

ESRSS CANADIAN PARENTS FOR FRENCH (SWAN RIVER)
Monday, June 21, 2010

In Attendance: Kelli Riehl, Lucie Lachapelle, Charlene Behrman, Carla Lund, Cheryl Leblanc, Carmel Cullen, Tammy Connolly, Sherisse Holtom

AGENDA:

1) Financial Review:

Documents were presented and reviewed. We are sitting at a balance of \$3,401.13 to plus or minus items sold at Journee Sportif canteen.

2) Journee Sportif Canteen:

Carmel worked it and it went well. The canteen was difficult to set up with only one person but the selling of items was easy. There were some items left over. An unopened box of chips is to be returned and the leftover Freezies and chocolate bars were purchased by Carmel. A motion was made by Tammy to donate the left over water to the school for the fun day. Keli seconded the motion.

3) Camp Soleil:

There are 16 kids registered at this point. At camp the kids will be decorating a float. Carmel motioned we buy a flag to be owned by CPF Swan River that can be used on the float. The motion was seconded by Cheryl. We will be inviting all French Immersion students to ride the float with the Camp Soleil children and a note will be sent home with the report cards.

4) Hot Lunch Surveys:

Very few were returned. Some suggestions were that we do not focus on only getting the hot lunches made by Y Not Johnnies. We will meet with the PAC on September 13, 2010 to plan out lunches for the next school year.

5) Admin Report:

Lucie is applying for SEVEC. The students need to be 12 and grades 7, 8 and 9 are being applied for.

The new grade 4/5 teacher will be Mr. Dechamps.

Lunch hour, for the students next year, will be from 11:50 to 12:50.

Tables for the outdoor covered classroom are completed and installed.

Lucie will apply for grants in the fall to cement the outdoor covered classroom.

Lucie is going to look for money for the fiddling program which the children love. The cost is approx. \$6,000/year.

There will be a welcome back barbeque on the first day back to school in September.
